

## SMALL FRYE: STORYTELLING IN THE GALLERIES

*Care & Nurturing, Winter & Spring 2012*

Classic children's stories and contemporary favorites are brought to life in the Frye Art Museum galleries on the first Friday of the month from 11:15 to 11:45 am by the Seattle Children's Theater. As part of an ongoing partnership, the Frye and The Seattle Public Library are pleased to present this list of books inspired by the Frye exhibition *Beloved: Pictures at an Exhibition*. Drawing on themes of care and nurturing, these books for children three to five years old connect the visual and literary arts. For books listed here, please visit the Frye Art Museum Store, your Seattle Public Library branch, or reserve them at [spl.org](http://spl.org).
