Bus Transportation Reimbursement Request

Who is eligible?
All public schools are eligible for reimbursement.

How does the program work?
The Frye Art Museum will directly reimburse schools for the cost of transportation, up to $90. A check will be mailed following your visit. If applicable, payment must be made before bus reimbursement is processed.

Schools are responsible for arranging and paying for their own transportation. The Museum will not process transportation invoices from school districts or bussing contractors.

Please complete the application form below.

Date of Visit: ________________________________

Teacher/Tour Coordinator: ________________________________

School/District: __________________________________________

Address: ________________________________________________

____________________________________________________________________

Please include one of the following forms of verification showing the cost of the bus transportation to the Frye Art Museum on the day of the visit listed above.
